The Honorable Porter J. Goss
Chairman
Permanent Select Committee
on Intelligence
House of Representatives
Washington, D.C. 20515

Dear Mr. Chairman:

(S) The purpose of this letter is to notify you of our intention to reprogram funds within the Central Intelligence Agency (CIA) to meet the higher priority, unforeseen requirements associated with the terrorist attacks in New York and Washington.

(S) In order for CIA to respond to the fast-breaking intelligence requirements that have followed the events of last week, I have directed CIA managers to review all remaining FY 01 funds (covert action and non-covert action funds) and determine whether any of these funds may be made available for immediate obligation and expenditure in furtherance of our counterterrorism efforts. Our determinations regarding the reprogramming of FY 01 funds will take into consideration the additional funds that will be provided to CIA by the 2001 Emergency Supplemental Appropriations Act for Recovery from and Response to Terrorist Attacks on the United States. The details of reprogrammings we undertake using FY 01 funds will be provided to the committees by the CFO's staff immediately after the close of FY 01. This revised reprogramming process is required for the remainder of FY 01 to ensure we have the flexibility necessary for our prosecution of the war against terrorism and the preservation of the national security.
